*Teach the Whole Story-  
Change Someone's World*

**Experience total immersion in the Word!**

The Crossways International (CI) *Weekend Community Workshop* provides eye-opening insight into Scripture. The workshop helps people to understand the full sweep of the Bible's story line – and to see how Jesus, the Living Word of God, emerges so vibrantly against the backdrop of the Old Testament.

Using *See Through the Scriptures*, a Crossways International presenter will take you on a fast-paced, but highly revealing journey through the entire Bible, tracing the key themes that surface throughout it. The goal is to help people gain a clearer understanding of what preceded Jesus, in order to understand the truly immense and earth-shattering nature of His ministry.

<i>"People are fascinated to read and discover what Scripture really says!"</i>
<b>Wm. Danner, DCE</b>
<b>St. Michael Roman Catholic Ch.</b>

<i>"To truly understand Jesus, we need to understand the world into which He was born – and that is a focus of the CI studies."</i>
<b>Frances Hall</b>
<b>St. Peter's Lutheran Church</b>
<b>Dubuque, IA</b>

**Read the Bible...Understand Jesus...Demonstrate Servanthood**

Crossways International helps people read the written Word, to understand the Living Word, and to demonstrate that Word in their lives. To achieve this, Crossways International creates and distributes written and visual Bible study materials and trains teachers to use them.

<p>The <i>Weekend Community Workshop</i> was chock-full of information about the Bible that I never knew before. The day went entirely too fast, and I felt that I left with many wonderful new ideas swimming around in my head. As I take time now to study the materials in depth, I'll have an even greater understanding of Scripture and how the Old Testament relates to the New.</p>
